Testimony in Strong Opposition to Bill 69

Chair Kobayashi and members of the Budget Committee:

Please vote to hold Bill 69. This is an extremely short-sighted bill which in the long term will adversely effect the natural beauty of Oahu. Tourists do not come here to view moving billboards and residents do not pay the high price to live in "paradise" just to see visual blight on the sides of our buses. Bill 69 should not move forward and use more of Council's time. Kill this bill and save Hawaii's beauty.

Thank you.
